FOR RELEASE: On Receipt

EASTON, Pa. - Lawrence A. Lennon of South Floral Park is one of two students selected to serve on the faculty committee on admissions at Lafayette College.

Lafayette's faculty approved the inclusion of students on ten faculty committees last year. The students, who are selected by Lafayette's Student Council, have full voting privileges in the committees.

In addition, all students who are members of faculty committees are allowed to attend meetings of the full faculty each month. They have all rights of participation in the meetings, except the right to vote.

Lennon, a senior majoring in anthropology-sociology, is recruitment coordinator of the Association of Black Collegians. A 1967 graduate of Christ the King High School, Middle Village, he is the son of Mr. and Mrs. Thayer O. Lennon, 470 Roquette Ave., South Floral Park.
