Re: meeting

The next meeting of the HIV/AIDS Task Force will be on Monday, November 18 at 4:30PM in Marlo Room, East of the Farinon College Center. Our guests will be two members of the Philadelphia-based group, We The People Living With AIDS.

Also, please see me to sign up to visit the Mercy Adult Services residence facility in Philadelphia for people with HIV/AIDS. The visit will be on Saturday, December 7. Our visit is "scheduled" from 1-4PM, which will require our leaving Easton at around 11:00-11:15AM, returning to campus around 5:30PM. Drivers with cars are needed: Visitors are asked to bring munchies for residents, i.e., cookies, chips, pretzels, candy, etc. This first visit is limited to 10 people, first-come, first-served. Depending on interest, a second trip will be scheduled for February.

Hope to see YOU on November 18!
