Dear Dean Kissiah,

On Sunday, October 28, the Greek community, the Office of Student Residence and the HIV/AIDS Task Force are co-sponsoring "Friendship in the Age of AIDS," and we would like to extend to you an invitation to attend. The presentation will begin at 7:30 p.m. in Colton Chapel.

As of now, HIV/AIDS is a major concern on campus. The only way to prevent HIV is to educate the student body about prevention and the disease itself. Most members of Lafayette campus feel they know all they need to about HIV and AIDS, but that is not true.

On behalf of the HIV/AIDS Task Force, we appreciate your support, and we hope you are able to attend. Your presence will help us send a message to the members of the Lafayette community that HIV and AIDS are important issues that everyone needs to be aware of.

We appreciate your support, and we hope to see you on October 27th.

Sincerely,

Robert R. Smith
