

## EQUALITY RALLY

What a thrill to see such joy in the faces, and in the faces of so many people (“Campus Community Celebrates Unity at Equality Rally,” website and summer 2013 *Lafayette Magazine*, page 32-33). It’s breathtaking, really, after so many years of sensing, well, repression. Congratulations to all involved. Stay out! Do more. Say more. Sing more. Write more. Be more! Now, where do I get a T-shirt?
