

For the 2002-2003 school year, QuEST shall attempt

1) to provide Lafayette students, faculty and staff with a neutral environment in which to discuss issues concerning sexual preferences

2) to offer support to anyone struggling with these issues

3) to help educate the members of the Lafayette community and surrounding areas on topics dealing with sexual orientation

4) to provide programming for use by the classes and residence halls in the area of sexuality prejudice aversion

5) to continue to grow and become a prosperous and well-know group in the Lafayette community
