QuEST (Questioning Established Sexual Taboos) is a human rights organization dedicated to the education of students on this campus about LGBTQ (Lesbian, Gay, Bisexual, Transgender, Questioning) issues. In order to address these issues we have weekly meetings and hold events open to everyone on campus, regardless of sexual orientation. Our goal is to make Lafayette a more welcoming and safer place for everyone, including students, faculty, and staff.

- Student/Faculty lunches
- Drag Ball
- Gay? Fine by me campaign
- Brown-bags
- Educational campaigns
- Cosponsoring with other organizations
