

QuEST (Questioning Established Sexual Taboos) is a human rights organization dedicated to the education of students on this campus about LGBTQ (Lesbian, Gay, Bisexual, Trans-gender, Questioning) issues. In order to address these issues we have weekly meetings and hold events open to everyone on campus, regardless of sexual orientation. Our goal is to make Lafayette a more welcoming and safer place for everyone, including students, faculty, and staff.

- Student/Faculty lunches
- Drag Ball
- Gay? Fine by me campaign
- Brown-bags
- Educational campaigns
- Cosponsoring with other organizations
